AUDIT COMMITTEE MANDATE

The Audit Committee (the “Committee”) is responsible to the Board of Directors (the “Board”) for the policies and practices relating to integrity of financial and regulatory reporting as well as internal controls to achieve the objectives of safeguarding of corporate assets, reliability of information and compliance with policies and laws. The Committee is also responsible for oversight of the enterprise risk management framework and process.

The Committee charges management with developing and implementing procedures to:

- Ensure internal controls are appropriately designed, implemented and monitored including reviewing and discussing any significant deficiencies in the design or operation of internal controls and any fraud, whether or not material, that involves management or other employees who have a significant role in the Company’s internal controls over financial reporting.
- Ensure financial reporting and disclosure of required information is complete, accurate and timely as required by applicable legislation and regulation.

COMPOSITION

The Committee shall be composed of three or more independent directors, appointed by the Board on the recommendation of the Corporate Governance Committee, in accordance with the independence standards established by the Board, and all applicable corporate and securities laws, rules and regulations.

All members of the Committee shall be financially literate as defined by applicable legislation. Financially literate shall mean the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.

A member of the Board who is not financially literate may be appointed to the Committee provided that the member becomes financially literate within three months following his or her appointment, subject to the Company’s Board determining that this appointment will not materially adversely affect the ability of the Committee to act independently and to satisfy the other requirements of this mandate.

If a Committee member ceases to be independent for reasons outside the member’s reasonable control, the member shall tender their resignation to the Chair of the Corporate Governance Committee, within three months of the occurrence of the event which caused the member to not be independent.

The members of the Committee are appointed or reappointed annually by the Board, with such appointments to take effect immediately following the Annual General Meeting of Shareholders of the Company. Each member of the Committee shall continue to be a member thereof until their successor is appointed, unless they resign or are removed by the Board, or cease to be a director of the Company. The Board, upon recommendation of the Corporate Governance Committee, may fill vacancies of members of the Committee for the remainder of the current term of appointment.

The Board shall appoint a Chair from among the members of the Committee to preside at its meetings. The Chair must be independent. If the Chair of the Committee loses their independent status, that person shall cease to be Chair immediately and be replaced as Chair by an existing member of the Committee with the Corporate Governance Committee being asked to replace this member within three months.
